

Seeking single mothers for interviews

Dear single mothers in Hellersdorf-Ost,
My name is Paula, and I'm working on my final thesis at Bauhaus University in Weimar. I am looking for women who would like to share insights into their daily lives.

I am curious about how you manage your everyday tasks and what challenges or supports you encounter. I am also interested in the role that places and people in your neighborhood play in your life. If you would be open to discussing these topics and more, I would be very grateful. We can meet in a way that suits you best: online, at your home, at the playground, or any other place that you feel comfortable with. Your time and comfort are important to me.

Please get in touch with me **(during may/june)**, so we can make arrangements. You can reach me via email at paula.keppke@web.de or by phone/WhatsApp/Telegram at 0177-7771327.

I am looking forward to hearing from you!
Warm regards,
Paula
